

Project Me Button ID Variations

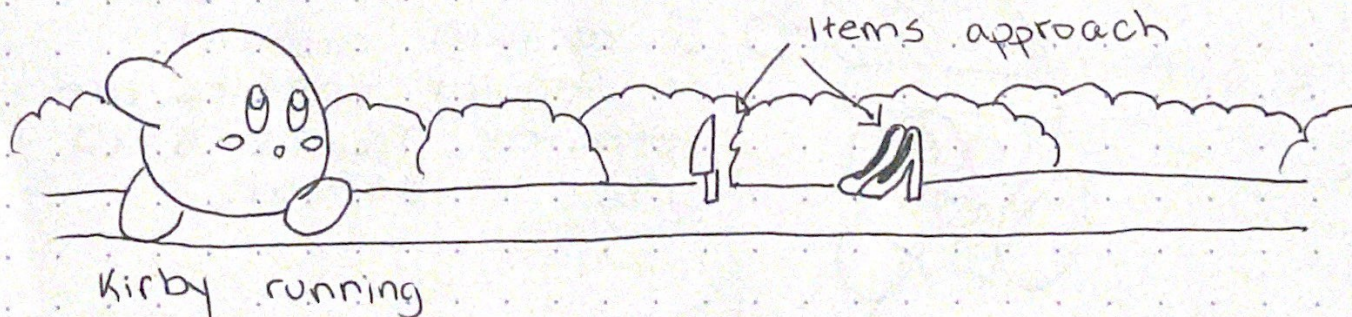

Variation 1 of Random Kirby Meme Genera

- Button is the TV
- Alternate between memes each ~~click~~ click

- Show commercial in between

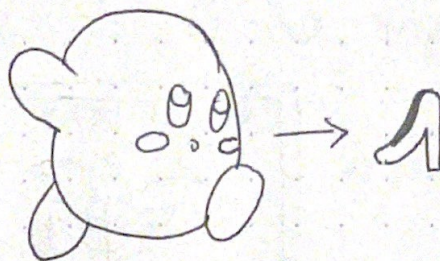

Variation 2

Variation 2 continued...

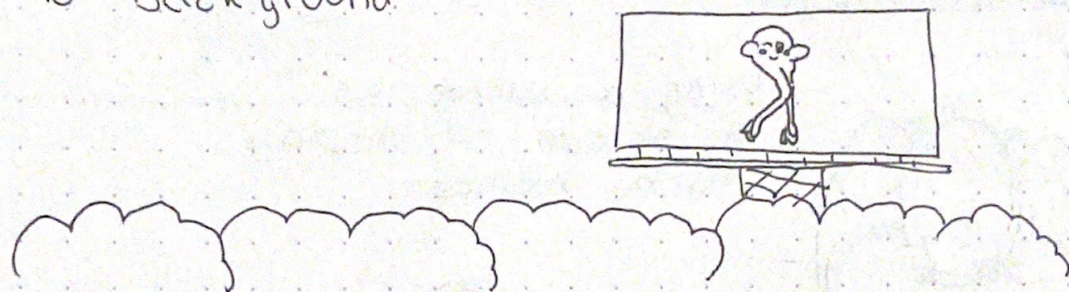

Kirby can
jump over
items

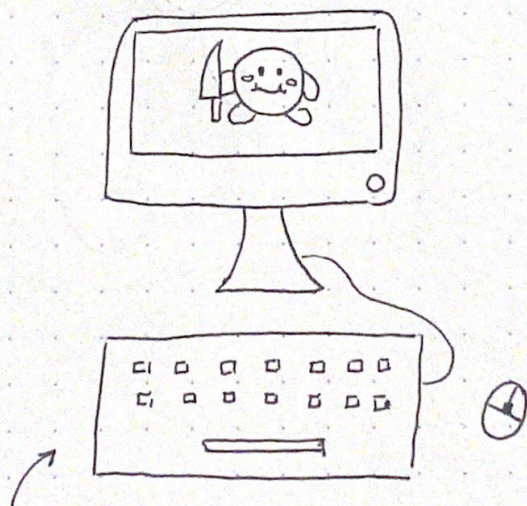

or run into
items

Kirby can also inhale items instead

When Kirby runs into item, the associated
meme is shown on a billboard in
the background.

Variation 3

Button is entire keyboard or
certain keys are the button
e.g. H for high heels, K for
knife

Variation 3 continued...

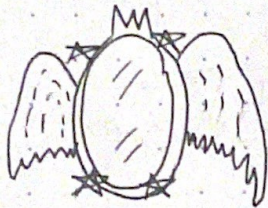

If you wait too long without pressing a button,
meta knight or jester hacks the computer.

Marx and
Magolor could
also be
hackers

or King Dedede?

Other considerations:

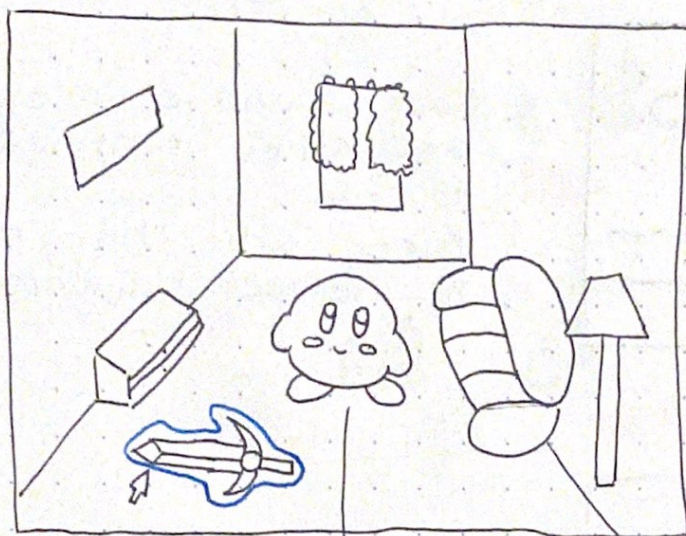

Using a mirror as
a screen to display
Kirby memes
