Variation 2

Kirby running

Items approach

Variation 2 continued...

Kirby can jump over items

or run into items

Kirby can also inhale items instead

When Kirby runs into item, the associated meme is shown on a billboard in the background.

Variation 3 continued...

If you wait too long without pressing a button, meta knight or jester hacks the computer.

Marx and Magolor could also be hackers

or King Deedee?

Other considerations:

Using a mirror as a screen to display Kirby memes
